

Data deletion request

Repmen App (app.repmen.hu)

How to delete your data or account

Repmen App deletes the personal data associated with a user account upon request, including data obtained through social login (Facebook & Google Login) and from any connected Facebook Page or Google Business Profile.

To request deletion of your data or user account:

1. Send an email to **hello@repmen.hu**.
2. Use the subject line: **“Data deletion request”**.
3. Include the details needed to identify your account:
 - the **email address** used for registration,
 - your **company name**,
 - (if applicable) the name of the connected **Facebook Page** or **Google Business Profile**.

Once your identity is verified, we will delete the personal data associated with your account and disconnect the linked Facebook/Google account.

What data will be deleted

- company name, name of the company’s representative, phone number, email address,
- login credentials (password) for app.repmen.hu,
- data processed from the connected Google Business Profile / Facebook Page (profile data, reviews).

How long does deletion take?

We fulfill the request within **30 days** of receipt and send a confirmation email. Some data may be retained for the duration of any mandatory statutory retention period (e.g. accounting records, as required by the Hungarian Accounting Act); we will inform you of this in the confirmation.

Revoking Facebook access

You can also revoke Repmen App’s access to your Facebook account at any time: **Facebook – Settings & privacy – Settings – Apps and Websites**, then remove Repmen App.

Revoking Google access

You can also revoke Repmen App's access to your Google account at any time: **Google Account (myaccount.google.com) → Security → Third-party apps with account access**, then select Repmen App and remove its access.
